Hirayu Onsen

We are a compact ski area with two lifts and three trails in total. With our base elevation located at 1,300m, Hirayu Onsen Ski Resort boasts beautiful scenery and natural powder snow. This is the only ski area in Okuhida Onsen - go that can be enjoyed by everyone from beginners to experienced skiers.

## The Attractiveness of Hirayu Ski Resort

Ski lift tickets (one-day or half-day ticket) can also be used as a hot spring bathing ticket at Hirayu no Mori, a hot spring facility that can be reached on foot from the ski resort.

The ski slopes are right next to the parking area so access is very easy for families with small children.

Due to its location at a high altitude, the snow quality is excellent and the powder snow reduces the impact from falling.

## No admission fee required

Although admission is free, lift tickets must be purchased to use the lifts.

## Riding on the pair lift without skiing is allowed

The #2 pair lift allows you to ride in casual clothes (without ski equipment). Please purchase a lift coupon ticket for this type of use.

## Just playing in the snow is OK

You can also rent sleds and have fun. A designated area for playing in the snow is located right next to the ski center.

## For those new to skiing or snowboarding

First, practice walking on the snow without using skis or snowboard. Then, if you want to practice with skis or snowboard, try to avoid crowds and practice in a flat area. Lessons from instructors are also available.
